If anyone can volunteer some time with selling the car raffle tickets, Betsy Parker has a sign up sheet of days and times that she would need help.

The mini raffle is moving along and gifts are slowly coming in.

The entertainment is all set and will be the same as last year. Billy and the Showman, Roadtrip, Tony Reno, Francesco, Gun Smoke.

***FOOD PRICES ARE GOING TO BE FINALIZED AT THE JUNE 17TH MEETING ***

Jim and Steve are going to get a price on a new carnival sign with aluminum frame. All of our advertising signs are going to have Property of St. Catherine's painted on them.

The leftover plastic signs from last year are going to have the dates changed, we are going to advertise in the Greenwich Post and the Greenwich Time along with the free ads.

The dessert committee is waiting to hear from Alex on the ice cream. They are looking into maybe having dipping dots. DiMares will continue to donate the pastries and the prices of all desserts (coffee and tea) will be confirmed at the June meeting.

Dunking booth and game booth are all set.

We would like to go green with the parking lot this year. We will further discuss picking a date to get our committee and parishioners to help clean up and trim the trees and bushes that surround the parking lot.

Sponsorship letters have gone out. A second mailing is on its way.
